I was wondering when I would come in here to find you sitting in that chair.

Wasn't easy tracking you down, Decker.

Wasn't supposed to be.

I know you've retired but...

That's all behind me now, General. I'm not the man you knew during the Cold War.

I understand. We're now facing a threat unlike any we've ever faced before. A man with your expertise.

I made a vow never to kill another human being. Sorry, General. You've got to find someone else.

Oh, no we uh. We weren't thinking you would do it. We were just hoping you could recommend someone for the job.

I guess I could come out of retirement.
